Protocol #445-2003

OPPORTUNITY TO PARTICIPATE IN RESEARCH

Participants needed for research on driving performance

Participation may involve:

- Completing clinical tests of vision, cognition & motor skills
- Behind-the-wheel driving while a tester records driving performance and behaviors
- Completion of a short survey at the conclusion
- Participation in a phone interview
- Disclosing personal and health related information

Participants will be paid up to $50 for participating in research

Eligibility to participate:

1. Ages 25 through 45 and 65 years and older
2. Valid U.S. driver's license
3. No seizures in the past year

IRB APPROVED ON 3/2/05 CHD

Research funded by the Centers for Disease Control and the Federal Highway Administration
